

CONFLICTS WITH BAND

Conflicts between band and other activities or events are the responsibility of the student. Rehearsal schedules are set and dress rehearsal performances and tour dates are being presented to you in this handbook (as of August 1), so that you can add them to your calendar. Students who receive instrumental scholarship money are expected to make all band rehearsals and performances priorities in their schedule. Students who receive scholarships in other areas, such as theatre, forensics, or athletics, are expected to discuss conflicts with rehearsals and performances at the beginning of the semester. Work is not an excuse for missing any band activity.
